

# Welcome Seminar 1

Electronic Engineering WiSe 23/24

Hamm-Lippstadt University of Applied Sciences (HSHL)

Maria Maar

**09 May 2023**

**12-1:30 pm**

INTERNATIONAL OFFICE

Dana Jarczyk

# AGENDA

- **Who are you? - Survey**
- **Inside HSHL**
  - 10 reasons to study @HSHL
  - Campus tour Lippstadt
- **Support services @ HSHL**
  - Who to ask if...?
- **Q&A-Session**
  - Application & enrollment process
  - Late arrival
- **Interview with ELE student: Joachim Gomes**

# 10 REASONS TO STUDY AT HSHL

11/30/2023

3

# CAMPUS from above

**360°  
virtual  
tour**

11/30/2023

4

# 1. Tuition-free education on a modern campus with state-of-the-art equipment.

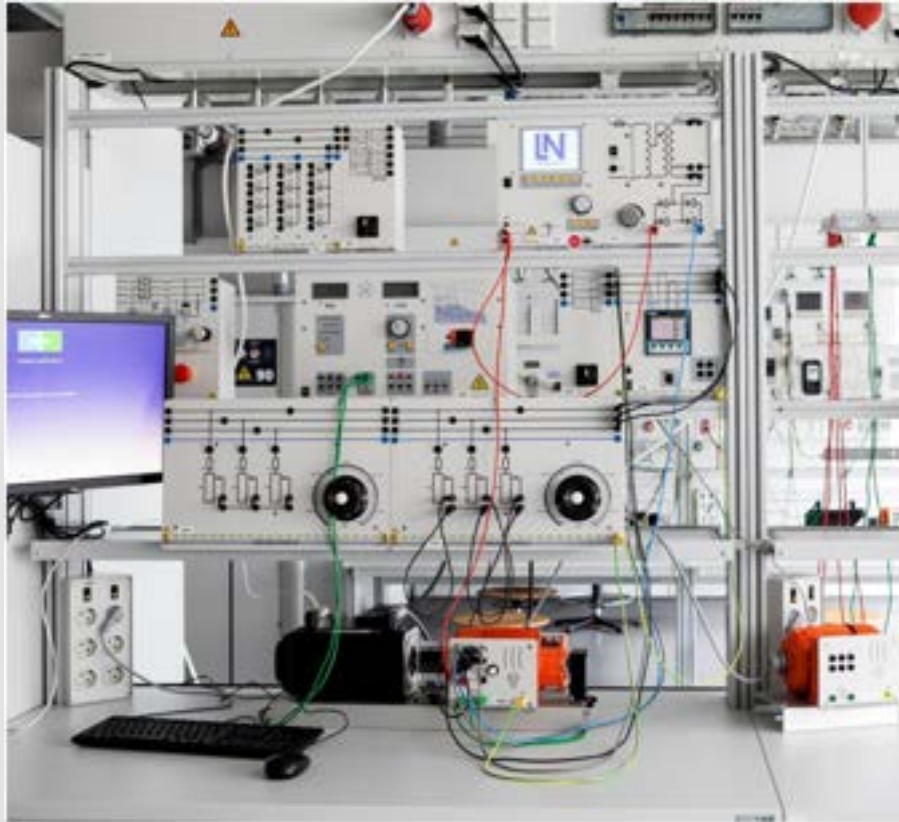

11/30/2023

5

# LABORATORIES

11/30/2023

6

## 2. Clearly structured study program incl. practical semester: internship / studies abroad

Semester 7	Bachelor Thesis CP 12		Project Work CP 8		Special Emphasis B CP 18	
Semester 6	Hardware Engineering CP 18		Advanced Embedded Systems CP 18		Special Emphasis A CP 18	
Semester 5	Internship / Exchange Semester CP 36					
Semester 4	Control Engineering CP 18		Prototyping and Systems Engineering CP 18		Interactive Systems Design 2 CP 6	Business Communications CP 6
Semester 3	Electronic Engineering 1 CP 6	Engineering Mathematics 3 CP 6	Micro-controller CP 18		Interactive Systems Design 1 CP 6	Audio and Video Processing CP 6
Semester 2	Electronic Engineering 2 CP 6	Engineering Mathematics 2 CP 6	Computer Science 2 CP 18		Engineering Design CP 6	Audio and Video Technologies CP 6
Semester 1	Electronic Engineering 1 CP 6	Engineering Mathematics 1 CP 6	Computer Science 1 CP 6	Physical Foundations CP 6	Industrial Design CP 6	Scientific Work CP 6

Subject to change without notice/ 11/2017

11/30/2023

7

### 3. Interdisciplinary & practice-oriented studies, to prepare you for future jobs.

11/30/2023

8

## 4. Small number of students guarantees a more individual support.

### Current state:

6100 students

110 professors

138 research assistants

11/30/2023

9

# STUDENT WORK SPACES & LECTURE HALLS

11/30/2023

10

## 5. International program with students from all over the world & excellent professors.

HSHL/Barbara Wendling

### **Jonas Weißbrod, 1st Semester Electronic Engineering**

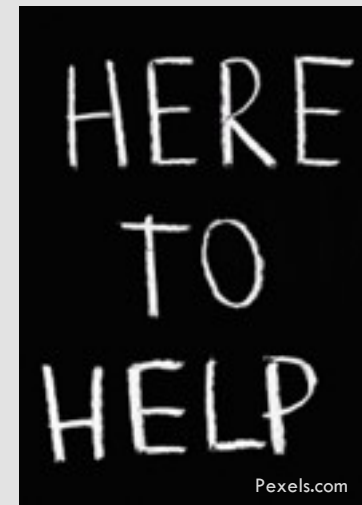

"Do not be afraid of choosing the course of studies of Electronic Engineering here at HSHL! Whether you come from Germany or from any other country on the globe, here you can experience a multicultural group of students, who help each other to achieve the best results in studying."

## 6. Located in an economically strong region with valuable partner companies

## 7. Many support services to help you succeed in your studies:

- International Office
- General Student Counselling
- Language Service
- Career ServiceCenter for Knowledge Management
- General Students' Committee (AStA)

Individual counselling, workshops & information.

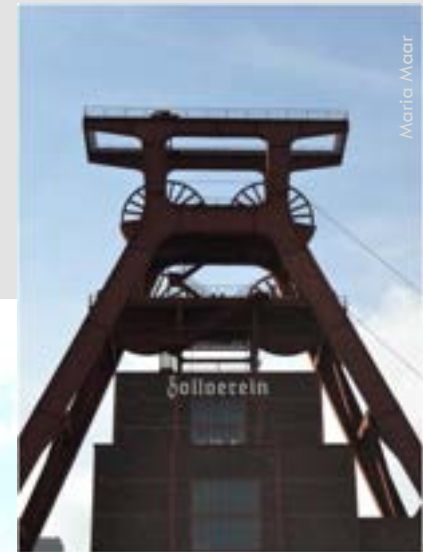

## 8. Located in the middle of Germany. Culturally rich region + safe & beautiful city

Lippstadt

Rhine-  
Ruhr  
Area

11/30/2023

14

## 9. Good infrastructure:

- Dining hall on Campus
- Library on Campus
- Student's residence hall close to Campus

# LIBRARY

11/30/2023

16

## 9. Good infrastructure:

- Ticket for public transport in NRW/Germany
- Next bike station on Campus
- University Sports & Coop. with Gym close to Campus

# 10. Cultural activities, student-community & team spirit

Initiative that supports international students

Stud.int\_hshl

11/30/2023

18

# SUPPORT SERVICES @ HSHL

## **International Office** | [internationaloffice@hshl.de](mailto:internationaloffice@hshl.de)

- visa, accommodation
- scholarships for int. students (DAAD)

## **Campus Office** | [campusoffice@hshl.de](mailto:campusoffice@hshl.de) / [ele@hshl.de](mailto:ele@hshl.de)

- admission, (re-)enrollment, student number
- semester fee/ticket
- recognition of previously earned credits

## **General Student Counselling** | [studienberatung@hshl.de](mailto:studienberatung@hshl.de)

- organizing your studies/study plan
- procrastination, examination anxiety

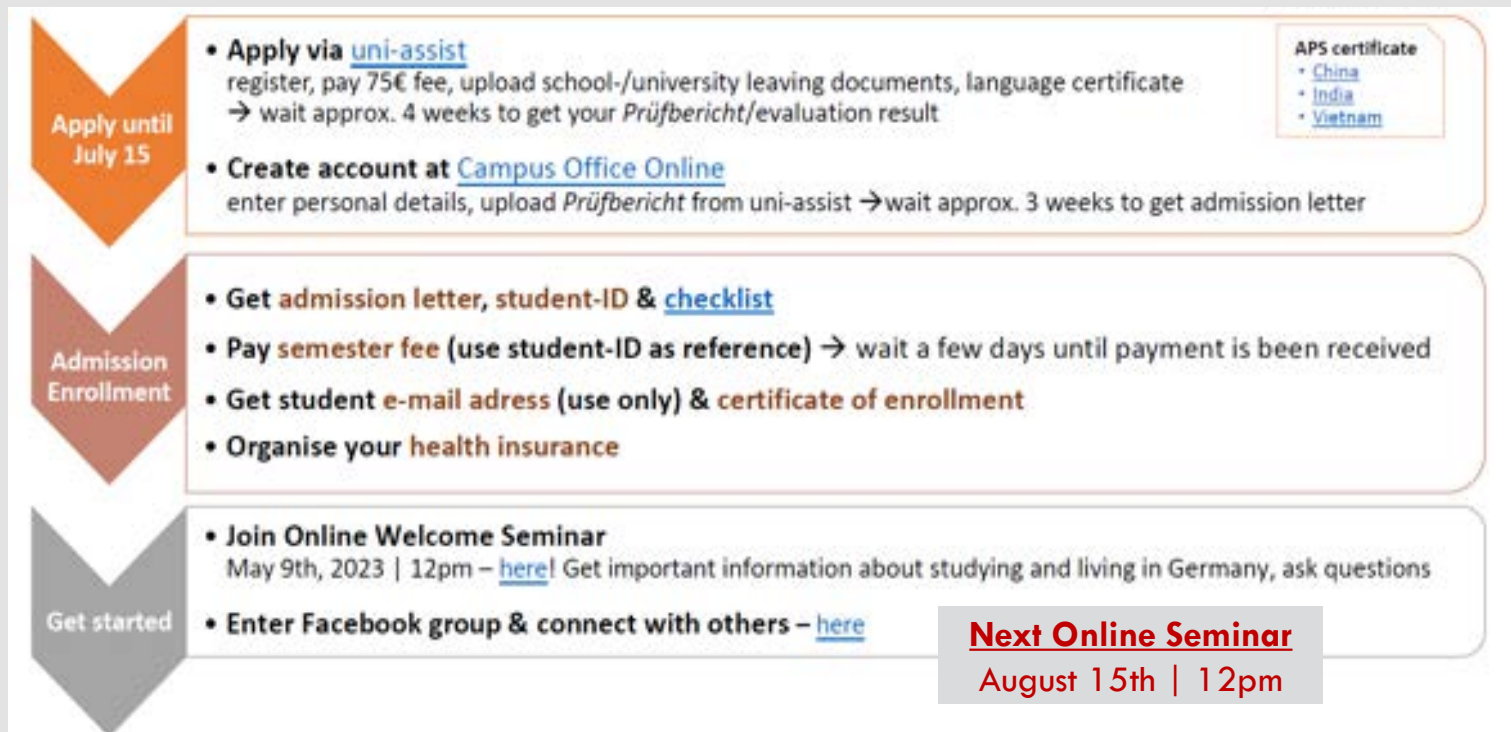

## **Language Service** | [languageservice@hshl.de](mailto:languageservice@hshl.de)

- (German) language courses

# Q&A

- Application & enrollment process
- APS India - Delay
- Late arrival

# Application & enrollment process

# APS India - Delay

- **Applying with Indian school/university documents?**

APS certificate is required

- **Certificate will not be issued by the time of application (July 15<sup>th</sup>)?**

No problem, you can submit the APS certificate up to the time of enrollment (August 15<sup>th</sup>).

**Start your application as soon as possible and inform us if there is a delay.**

# Late arrival

- **Winter Semester 2023/24** | 1 September – 28 February
- **Orientation Days:** 18-24 September 2023
- **Lectures start:** 25 September 2023

→ [www.hshl.de/en/all-semester-dates/](http://www.hshl.de/en/all-semester-dates/)

Be in Germany (Lippstadt/another nearby city) by September.

## You can't make it in time?

**Do not panic, you can still enroll and start your studies later.**

# Late arrival

## What you need to know/do

- Late arrivals will **not affect** your enrolment or studies.
- Once you have been exmatriculated, you must **reapply** for the next winter semester.
- Pay your **semester fee** in time for successful enrollment!

! If you will arrive late, please contact your health insurance asap and ask for exemption of the contribution until arrival.

**You will need health insurance - even though you are not in Germany.**

# Late arrival

## Whats next? When can I take which modules?

Some modules are consecutive and require prior knowledge. We advise to take them (if possible) one after the other.

- **Winter semester:** Modules from 1<sup>st</sup>, 3<sup>rd</sup> and 7<sup>th</sup> semester
- **Summer semester:** Modules from 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> semester

**Final exams can be taken in any semester.**

Please talk to the professor who is teaching the module/  
seminar you want to be tested in.

# Late arrival

## Modulplan

Semester 7	Bachelor Thesis CP 12		Project Work CP 8		Special Emphasis B CP 18	
Semester 6	Hardware Engineering CP 18		Advanced Embedded Systems CP 18		Special Emphasis A CP 18	
Semester 5	Internship / Exchange Semester CP 36					
Semester 4	Control Engineering CP 18		Prototyping and Systems Engineering CP 18		Interactive Systems Design 2 CP 5	Business Communication CP 5
Semester 3	Electronic Engineering 1 CP 5	Engineering Mathematics 3 CP 5	Micro-controller CP 18		Interactive Systems Design 1 CP 5	Audio and Video Processing CP 5
Semester 2	Electronic Engineering 2 CP 5	Engineering Mathematics 2 CP 5	Computer Science 2 CP 18		Engineering Design CP 5	Audio and Video Technologies CP 5
Semester 1	Electronic Engineering 1 CP 5	Engineering Mathematics 1 CP 5	Computer Science 1 CP 5	Physical Foundations CP 5	Industrial Design CP 5	Scientific Work CP 5

# Interview: Joaquim Gomes

- **Dhaka, Bangladesh**
- **ELE, 4th Semester (officially)**

Hi, I am Joachim Kennedy  
Gomes. Mostly called as  
**Kennedy**

I love to try  
different cuisines.  
But having our  
traditional khichuri  
with fried ilish,  
makes me feel  
awesome :D

I am from the  
heart of  
Bangladesh,  
which is Dhaka  
city

I love  
listening to  
music

[Joachim-kennedy.gomes@stud.hshi.de](mailto:Joachim-kennedy.gomes@stud.hshi.de)

# What are you doing at the moment?

*I am currently studying the courses and building up my skills to **plan my internship** in the future. But I also love to take part in the **events** organized by the **international office** and **AStA** in HSHL.*

*Moreover, with some of mine fellow students, I have recently joined **ELE Fachschaft**, which is the student council for the department. In ELE Fachschaft, together we believe to improve, motivate and develop for a better environment for all.*

# Why study in Germany?

*During and after the COVID times I was planning to **develop my knowledge and skills** in the field of Electronic Engineering.*

*When it is about training yourself in the field of engineering, Germany is one of the **leading countries** for it with their rich portfolio and expertise. That is how I got motivated to plan my engineering studies in Germany. Moreover, the lesser **tuition fee** of the public universities was an advantage for self-sponsored students like me.*

# Your biggest hurdles during your studies. How did you overcome them?

*Similar to my many fellow students, for me the biggest hurdle was not being able to join HSHL campus in time due to **delayed visa** processing.*

*It took me 15 months to reach Germany and due to that I fell behind of two semesters. During those times our university, especially our International Office team was always there, helping us with all the available information we needed. But I **we can still make up for the courses** that we missed, because we can plan our studies according to our needs and comfort. Thus, nowadays I am enjoying my studies in HSHL and also my life in Lippstadt.*

# How would you describe your studies in three words?

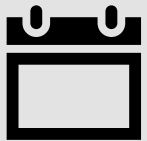

*Educative, interesting and motivating.*

# I wish I would have known before...

*Overloading yourself with study and stress is not always good. Instead of that, try **balancing life** by enjoying every new experience one can ever come across with.*

***Finding accommodation** in Germany requires some effort and for Lippstadt it can be a challenge depending on the time you are coming. Therefore, **starting early** to look for an accommodation is really a good idea.*

# What's next?

## Welcome Seminar 2

August 15th, 2023 | 12pm (noon)

- Tips on finding accommodation, finances & work
- Learning & teaching culture in Germany
- Workshops & events during orientation days @ HSHL
- Handout for your first semester

# Thank you for your attention

We look forward to welcoming you to our university soon!
